

Thank you for choosing 4 Star Gymnastics!

At 4 Star Gymnastics, we have a philosophy that teaching and emphasizing Safety, Progressive Skills and Building Self Esteem can all be done while having FUN!

Our main goals are to:

- Teach all students safe skills
- Help each student achieve their potential through proper progressions
- Build self esteem in each student through positive reinforcement
- Make sure every student enjoys learning
- Provide professional instruction for all levels and ages

What do I need for class?

- Each student should have their own small gym bag. Your student will bring their gym bag to each event with them. The bag should contain the following:
 - Water bottle
 - Band-aids/First-Aid Kit
 - Mask
 - Ziplock baggie to put mask in while practicing
 - Hand Sanitizer
 - Small Tissue Pack
 - Your instructor may e-mail you if you need additional props!
- Students may wear a one piece leotard with leggings/stretchy shorts or a tight fitting shirt tucked into athletic shorts. No jewelry, snaps, zippers or buttons!
- Please make sure hair is pulled away from the face securely.
- No gum, candy, food or drinks (other than water) are permitted inside the gym.

What should I expect when I arrive for class?

- Park your vehicle in our side parking lot or along the street and walk your gymnast to the front door. Drop offs at the front of the building whilst in the street with a running car are not permitted!
- Please arrive no more than five to ten minutes before your class start time at the front entrance. There will be a staff member at the front door to take temperatures and escort your gymnast through the lobby and into the gym with their teacher.
- Students, Staff & Parents must wear masks or face shields upon entering and exiting the building. Students will be able to take their mask off after washing their hands at their designated station and then placing it in their bag. Students must wash their hands and wear the mask when they enter the lobby to use the restroom.
- For safety purposes, students will not be permitted in the gym if tardy by more than 10minutes.
- Make sure your student uses the restroom at home prior to arriving at class. There are bathrooms available, but we would like them used minimally and reduce traffic through the lobby.
- Expect there to be lots of repetition during class!
- Only ONE guardian (no siblings, etc) will be able to observe class from the lobby at this time. If you have more than one person with you, our staff will ask you to wait outside.
- If you are staying to observe your class, you must wear a mask. You also must leave the building from the front entrance and pick up your student at the pick up area at the rear of the gym when class is finished.
- All students will exit and be picked up in the rear of the facility.
- Please check Facebook, Instagram or Twitter for facility closings due to extreme weather conditions! We typically post by 3:00pm for evening classes.

Tuition Policies

- Annual non-refundable registration fees are due at the time of sign up and on the anniversary of your enrollment. The cost is \$15 per student. Registration will be automatically charged with tuition at time of enrollment and then one time per year after.
- Tuition is due on the 25th for the upcoming month. For example, if you're beginning classes May 1st then your tuition is due on April 25th.
- We will apply a late fee of \$15 to your account for any tuition paid after the 25th of the month. Students will be dropped from the roster on the 1st of the month if tuition is not made current.
- You will receive a statement 3-5 days before tuition is pulled on the 25th. If you are not current, you will receive one email before your student is dropped on the 1st.
- Absolutely no refunds after the 25th of the month previous for which you are dropping. For example, if you would like to drop your student for May, you must do so via email or in person by April 25th.
- If you pay by check and it is returned to us from your bank, your account will incur a \$25 returned check fee. We will request the fee and tuition be paid in cash, money order or credit card.
- In order for your child to benefit the most from our program, please view it as a year-long activity. It takes time for children to gain all the benefits our program has to offer.

Make up Classes & Refunds

- If your student is sick – keep them home and make up your missed class!
- Make up classes are not guaranteed, but we will try our best to find a make up class that suits your needs.
- Make up classes are on a first come, first serve basis.
- Missed classes must be made up within two weeks of the missed classed.
- Make up classes are available to active students only. (If you drop for August, you can not make up classes from July in August.)
- Tuition is based on four classes per month. Make up classes for holidays and inclement weather are only offered if your class will meet less than four times during the month.
- There are no refunds, pro-rating or credits for missed classes. Prorated credits for extended illness or injury (over one month) may be made upon timely notification to the office with a doctor's note. Class spots can not be reserved without payment.

Dropping Classes

It is imperative to let us know if you decide to drop class. Tuition is reoccurring monthly and will not stop without notification. This charge is for reserving your spot in class. To avoid charges, make sure to notify the front desk in writing or via email by the 25th of the month prior to the month you're dropping.

One again, thank you for participating in our program! We look forward to helping you give your child the gift of a lifetime – FUN & FITNESS!
